From the Executive Director's Desk

As we wrap up our ninth year at the SHARE Center, the staff and I are deeply grateful for you, as you've continued this journey alongside us. During this Advent season, as we prepare to celebrate the birth and ministry of Jesus, I find myself reflecting on all the ways we have witnessed His hand in our work.

God, through this incredible community, has provided in every way. We have seen His provision in your financial contributions, your volunteer hours, and through your prayers.

These provisions have led to countless stories of HOPE. Like the sweet couple who, after discovering they were expecting their first child, faithfully attended prenatal classes and then celebrated their marriage before welcoming their baby into the world. Or the mother who came to us, contemplating abortion, convinced that even after two ultrasounds, having a child was simply not possible for her. Two weeks later, with a changed heart, she chose life and began attending classes.

So many times we've seen God bring light into the darkness. Thank YOU for being that light to our families. Your support makes all the difference. May you experience God's abundant blessings this Christmas season and in the year ahead!

With much gratitude,
Kim Barton

STAFF SPOTLIGHT
JILL PATTON

Jill recently joined the SHARE Center as our Marketing Coordinator, bringing her passion for creativity and connection to our mission.

As the wife of a first responder and a mom of two, Jill understands the importance of community and support. When she's not working, you can find her cheering on her son on the ball field, at dance class with her daughter, reading with a good cup of coffee, or hanging out with her family - watching sports & playing board games are two of their favorite activities. Jill is also a self proclaimed foodie wannabe and loves trying out new recipes!
