Spring 2025

A Season of Hope

Celebrating New Life and Lasting Impact

This year has been filled with many reasons to celebrate, and we have so much to be thankful for! Thanks to the generous support of so many of you, our annual Celebration Fundraising Banquet was a wonderful evening of fellowship. With two inspiring speakers and a record number of attendees, the night was a true reflection of the impact this community is making together.

But the celebration doesn't stop there. We are also thrilled to share the joyous news that 14 new additions have been welcomed into our community. Praise God! Among them, seven precious lives were at risk of abortion. However, with your prayers, your volunteer hours, and your financial support, these moms and dads chose life for their unborn children. Every single one of these mothers received prenatal care, and half of them participated in prenatal classes to help ensure the health and well-being of both mother and child.

Additionally, we're excited to announce the full launch of our Infinite Worth program, which offers our clients 24/7 access to registered nurses online. This innovative program enables clients to chat with nurses after hours, ensuring they always have someone to turn to for guidance and support, no matter the time of day. Through this service, we've been able to send educational videos, answer urgent questions, and help moms schedule necessary appointments.

None of this would be possible without YOU. Your support has allowed us to make a real, lasting difference in the lives of so many families, and we couldn't be more grateful.

CLIENT TESTIMONIALS

I absolutely love the SHARE center. The ladies there are great. Love the energy and how well things are explained there. I don't ever have any questions about things due to them explaining things so well.... I've felt very welcomed there and very supported and it's just the place I was looking for to be part of something along with other mothers.

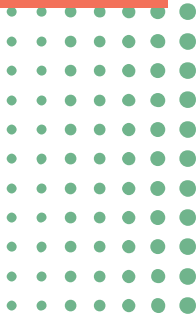

- "Ana", Client

This staff is AMAZING! They are loving, gentle, compassionate and non judgemental. Everything you would hope for in a situation such as this.

Community Generosity in Action

We are so grateful for the incredible support from our community! Generous donations and hours of volunteering from local groups help provide essential resources to our clients.

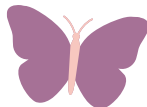

Empowering Clients, Strengthening Families

Every month, Parenting Classes are offered to support and empower families on their journey. Recent classes included Nutrition Label Reading to help families make informed food choices, and Baby Massage to strengthen bonds and soothe little ones. Our monthly Storytime with Mammen Family Public Library offers a fun way for kids to enjoy stories and build early literacy skills. Plus, crafting sessions provide a creative outlet for families to connect and make something special together!
