Tiny Footsteps...A Mighty God

When this sweet mom visited us for a pregnancy test, she was determined to provide the best possible life for her little one, knowing there were struggles ahead. Through it all she had faith. "Baby A" was born premature at 27 weeks, weighing only 1 ½ pounds. She spent nearly three months in the NICU, but she's now a healthy 10 pounds and both Momma and baby are doing well.

Mom shared the exciting news saying "God is so amazing! It was proven with all the circumstances around my baby's birth. She had to have blood transfusions and we had a meningitis and various infection scares, plus chronic lung disease. She came home on oxygen, but weaned off pretty soon after. We prayed daily and talked to the chaplains in the NICU and she overcame everything! She is a beautiful little superhero!! If that's not a testimony to how incredible our God is, I don't know what is! My husband and I are so blessed! We owe God everything for our miracle baby. I believed in God before she was born, but this whole experience definitely boosted my beliefs in an unbelievable way!"

Little Rays of Sunshine

Bright Birth Academy

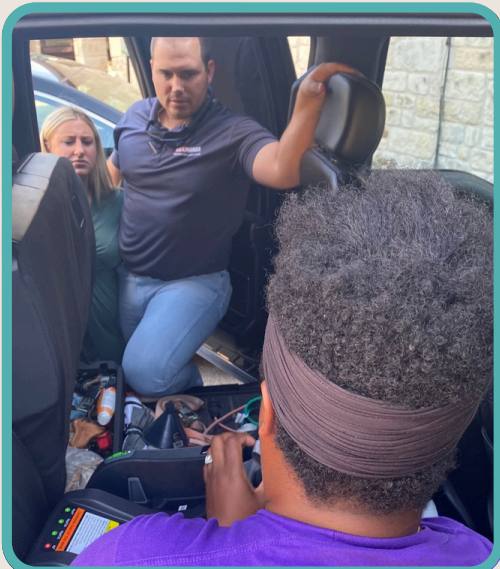

We're excited to celebrate three amazing couples who recently completed our Bright Birth Academy prenatal course! Over six weeks, these expectant parents prepared for labor and delivery with confidence, learning practical tools and Christ-centered encouragement for their birthing journey. We wrapped up the course with a joyful baby shower to honor their commitment and bless them as they get ready to welcome their little ones!

"My husband and I had such a wonderful experience taking part in the 6-week birthing course offered by this amazing nonprofit. From the very beginning, we felt genuinely welcomed, cared for, and supported. Each week was filled with practical tips, encouragement, and meaningful prayer that helped prepare us mentally, emotionally, and spiritually for the arrival of our baby. We're incredibly grateful for the support, knowledge, and love we received throughout this experience. Thank you for pouring into us during such a special and important season of our lives!"

We were thrilled to welcome SJRC Texas who provided a Car Seat Safety Class for our clients! A certified instructor walked parents through the essentials of proper car seat use and installation, offering hands-on guidance to ensure every child is riding safely. Families left empowered and equipped—some even received a free car seat!
